CREATE A UNIQUE **MARKETING IDENTITY** THAT RESONATE WITH YOUR CUSTOMERS

Expand your photo offerings with the SelfOne Wireless Print Station™!

Everyone takes pictures at weddings, restaurants, bars, and other events where a celebration is taking place. With the SelfOne Wireless Print Station™, you can turn these photos into an opportunity to boost your bottom line and let your guests print their photos wirelessly – right from their smart phones!

Create customized frames/borders and print photos of the event right on the spot – with your branding or marketing message. Add incentives such as special promotional offers as a marketing tool for your customers to use on a future visit or service!

▶ EXCEPTIONAL PRINT QUALITY

Optimized print quality for beautiful vivid colors and deeper blacks to achieve the best possible print speed.

▶ COMPACT SIZE

The new, compact design strategically minimizes protruding and hanging cables for a neat, space-saving installation.

TURN YOUR CUSTOMERS' SELFIES INTO YOUR GREATEST MARKETING AND PROMOTIONAL TOOL!

The Mitsubishi Electric SelfOne Wireless Print Station™ is intuitively easy-to-use and does not need an internet connection or app to download. It simply creates a peer-to-peer hot spot for your customers to connect their phone to the printer where they can take new photos or select photos from their photo gallery to print. The SelfOne Wireless Print Station is fully self-contained and compact. Occupying about a square foot, it does not need any additional computer or cameras. Place it under, above, or behind a counter and your new marketing machine is ready to work for you!
